Dear Nancy,
I sure have
being with you
Barbara. I hope we
be in some classes
together next year.
Good luck to a
Very sweet girl.

Nancy Rhyne

cardinal

"Nancy"
I have enjoyed this year very much. You help in it and I think that you are a very sweet girl. All our date didn't seem to work out but maybe someday they will. Best of luck to a very, very, very sweet girl.

Buzzy Powell

Leafing through the pages of this annual in future years, we shall be reminded of the work, fun, and fellowship that we enjoyed during our four years in Newton-Conover High School.

we honor . . .

We, the seniors of 1956, dedicate this edition of the CARDINAL to MRS. DORIS GORDON. We think Mrs. Gordon is truly entitled to this honor because of her helpfulness, thoughtfulness, friendliness, sincerity, and guidance.

gleta wilkinson

In this 1956 edition of the Newton-Conover High School CARDINAL we, the seniors, wish to pay tribute to Gleta Wilkinson, who entered high school as a freshman with us. Then in the summer of 1953 Gleta became seriously ill with an attack of polio. Since that time she has worked courageously, and her condition has been greatly improved. Even though she has endured great pain, she is still the wonderful person she was before her attack. As Gleta looks through this annual, we hope she will remember all her senior friends.

Gleta in the iron lung.

With the chest respirator.

Gleta on the rocking bed.

At home ready for company.

3/13/56

Dear Yancy,

It hardly seems possible that this year has almost passed. In it were packed some of the most wonderful times any two girls could have together. Not only just speaking for the past years, but for all of the others too. Last year about this time, we were pretty stuck on Eddie and Philip. Went we crazy then? We really did have fun double-dating, didn't we? Remember the parking place! I wonder if anyone else knows about that. Let's hope not! Remember the night you dated Jack Law and I dated Bruce. That was really same night and then when you started dating Jerry and Bruce and I double dated with you two. That one night going down the highway at 110 was sorta dangerous but fun. I wouldn't trade any of these times for anything in the world. I guess that we have had our share of the parties, too. The ones at Young's, Willis' and Mellen's were more fun. Remember up at Willis' that night. I was with Ken and you were with Buzzy. We did have a good time, though. Remember the night, the 9 of us spent the night here when Mother + Daddy were in Jamaica. I seem to recall that you got sorta' wet. We were pretty mean, weren't we. We've had a lot of fun since I've gotten my license too. Honestly, sometimes I wonder what in the world I ever did without them. That old car has really taken us a lot of places. The shows in Concord on Tuesday night, uptown in the afternoons, F.F.A. meetings, and just messing around have been more fun than I can put in words. I'll never forget some of the narrow scraps that we have been in. It's a wonder that I'm able to set here to write this. I'm not talking about my driving either! Remember Saturday night (3/10/56) and all that riding. Oh Boy, that was soooooo interesting! I'll think twice before I do anything like that again. All in all, it just boils down to this simple fact, you are one of the best friends I could ever want. I'm not just saying this either, I mean it. We like each other a lot. Jack Benfield told me one day, although I hate to admit it, you're really a cute girl! no kidding! Just think, we only have two more years of this old hole. It's been fun even along with the work. All of our band trips (woo!) were the most! I hope we get to go to Fla. We could really have us a ball then. Well baby, it's closing time. Be sweet and good. Here's to my very special doll, may all of her dreams come True. Love,

P.S. I hope you + Stokes can get together on a few times.

OPPORTUNITIES . . .

. . . in the industrial world today are unlimited. Automation, atomic energy, a rapidly increasing population—all point toward unprecedented growth in the industrial life of our nation.

For young men and women thinking in terms of a career, the textile industry today offers opportunity "without bounds" in manufacturing, merchandising, research, development and design, and many other related fields.

BEST OF LUCK TO THE GRADUATES

Dear Nancy,
Well, another year is almost over and I think we're still good friends!! We sure have had some good ol' times together haven't we? Remember all those band trips. Wow!! Remember Raleigh. That sure was a lot of fun. Miriam, Linda, Pat, and I were playing leap frog at 2:00 in the morning!! Real crazy wasn't it? I can hardly wait 'til next years band trips. They're really going to be dillie's!!! I sure wish you could have come to my Party this year. I really missed you. Everyone seemed to have a good time but me, that is!! I spent the whole evening running from the phone to the door (jr. high age) I sure am doing a sloppy job of this aren't I. Gosh!! I'm just about out of paper. I want to wish you the very best of everything & in years to come. Have a really a very, very, cute girl you know so I'll have a chance!!! All attached so I'll hurry and get kidding aside, I wish you all the luck and happiness in the world!!

P.S. BE GOOD!!!

Love always,
Lynda

Nancy,

I could write an epistle or what a wonderful girl you are but I'd only fill this page. You really are a great gal and I am very glad that I'm one of your numerous friends!! Being with you in algebra and homeroom has been very delightful. That algebra classes were terrific!! I don't think I could have passed without those homeroom periods!!! We have really "lived it up" at [redacted]'s and Caroline's. We certainly did have a good time! I hope all those pictures turn out O.K. Band has really

Sylvia

Nancy,

Well I guess I could start at so many places I guess we'll start with the eighth grade. Remember that windy road we rested [illegible] had a rough time those boys were giving you? Who were you with? Joe?! Joe you sly dickens you! I didn't do much of anything but I have really "enjoyed" this summer. I have to go swimming a lot now. We'll have to go sometime together. Well I guess I'll have to go after a while. We can skip school and go some place. Well I hope we have some classes together next year. Oh we had little cuts in our arms. Best 'Cuss Sylvia Kelly

Dear Nancy,

I really don't know where to start but I can really say this. You are a swell girl and I have enjoyed going to school with you for the past several years. I think that you are also a very cute girl. If you don't mind me saying so, I also think you have a good figure.

Yours truly
Marshall

Remember all of the wonderful times we had
at camp this summer. I guess that's twice
never forget Marilyn and I hope to see her
again this summer. I remember that boy
from that you went with. Don't you? The
one that called me "Bloodie". I hope some
of those cute boys such as Eric Wayne,
& Paul are there this year. I have seen
Paul a couple of times since camp. I saw
him the night of the Hickory game. We
have got to really live it up this summer
at camp. Nancy, I think you are one of
the sweetest girls that I have ever known.
I consider you as one of my best friends
I hope that we can have many other wonderful
times in the future. Lots of luck and happiness
in life.

Love always,
Janet
